

## About Our Tournament

Manchester UNICO is part of a national organization consisting of people of Italian descent that work together on community, national and world-wide projects to benefit others. Manchester UNICO is particularly proud of our efforts to provide various community services in the Greater Manchester area.

For 41 years, the members of Manchester UNICO have organized an annual golf tournament that raises money for charitable causes that serve our community. As our largest fundraiser, the tournament has generated hundreds of thousands of dollars for charity and creates lasting memories for those who participated. This tournament endures and prospers because it is a high quality event that benefits worthy causes.

**Join us and be a part of this proud tradition!**
